EXPERIENCE

Web Developer, Intern

Jan 2023 – June 2023

Hackshade Technologies Pvt Ltd

Raipur, CG

- As an intern, my daily responsibilities was to create modules as per requirements for the project and implementing them using PHP and MYSQL.
- Additionally, I was responsible for implementing CRUD (Create, Read, Update, Delete) functionality in the project, This involves writing code that allows users to perform these basic operations on the data stored in the application's database.
- By working on these tasks, I have gained valuable experience with popular web development technologies and contributing to the success of the project.
- Tech stack used :- HTML, CSS, BOOTSTRAP, PHP.

TECHNICAL SKILLS

Languages: JAVASCRIPT, ES6+, HTML/CSS, MYSQL

Frameworks & library: React, Node Js, Tailwind CSS, Bootstrap CSS, Express Js

Web Technologies: Rest Api

Developer Tools: Github, NPM, VS Code, Postman

PROJECTS

Personal Portfolio | *React, Tailwind CSS*

May 2023 – Aug 2023

- Developed a visually stunning personal portfolio using React and Tailwind CSS, showcasing my react skills.
- Utilized React's component-based architecture to create a highly modular and scalable portfolio, allowing for easy maintenance and future enhancements.
- Implemented responsive design principles, ensuring that the portfolio is accessible and optimized for various devices and screen sizes.
